RE: Monthly Report March 1996

Dear Ms. Reynolds

I am amending the above listed report. Per my conversation with you, I am only submitting the pages with American Express credit card payments. We now list the original vendors who provided us services. Please note that this takes more pages to print so our page numbers have changed.

On Schedule H4 the disclosed negative entries are not voided checks. These credits are vendor credits for over payments or adjustments to our vendor accounts.

All expenditures made for ad costs and satellite time to National Media and WIT on Schedule H4 are not made on the behalf of any federal candidates.

If you have any further questions please do hesitate to contact me. 202-863-8755.

Sincerely,

Pat Huyck
Director of Accounting
